[NOTE: Again this week, weekly report items are due to OCSPP IO by 9:00. Thank you.]

Dear Colleagues,

Here is a link to a draft of the Administrator's Weekly Report for March 27. It is a Word document in SharePoint and includes items from last week's report that are still

relevant. (Potential items are also listed below in a table.) Please edit the existing items and insert blurbs on anything else that should be listed. If you would prefer, you can continue to submit your updates and blurbs in a Word document or in e-mail text.

Again this week, weekly report items are due to OCSPP IO by 9:00 on Wednesday, March 25. Please notify me and Tom Tyler if you make an update to the SharePoint document and cc: Derrick Bolen, Mary Hanley, Melissa Grable, Cheryl Dunton and Allison Dennis. Send Word documents and e-mail text submissions to the same people.

Thank you for trying to use SharePoint to compile the weekly report. Please let us know if you have questions or need anything else. We also welcome other suggestions in the spirit of continuous improvement.

Ruth
